REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest a buffer amplifier for buffering signals that are supplied in parallel to identical chips on a semiconductor circuit module comprising a first receiver for respectively parallel reception of the signals, first output buffer amplifiers, whose input is connected to an output on a first receiver, for receiving signals from the first receiver and producing buffered signals that are supplied to the chips on the semiconductor circuit module via a signal line network, and a first delay with adjustable delay time which are connected between the output of each first receiver and the input of each first output buffer amplifier, and the delay the signals received from the receiver in accordance with a set delay time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son Dinh whose telephone number is 571-272-1868. The examiner can normally be reached on 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Elms can be reached on 571-272-1869. The fax phone number for the organization where this application or proceeding is assigned is 571-273-1868.
